Sir:

The Applicant submits the attached formal drawings. The attached formal drawings are identical to the formal drawings the Applicant submitted on November 19, 2004. The Office has not acknowledged receipt of the formal drawings submitted on November 19, 2004 in the Advisory Action of December 22, 2004, the Office Action of August 25, 2005, and the Notice of Allowability of January 12, 2006, despite the Applicant's request that acknowledgment of receipt be made on the record.

Accordingly, in an abundance of caution, the Applicant again submits the formal drawings submitted on November 19, 2004 for publication in the forthcoming patent. These drawings are formal versions of the informal drawings filed in the instant application and do not introduce new matter or include any substantive changes.

Respectfully submitted,
JONES DAY
